

After School Program Pre-Registration Questionnaire

Thank you for your interest in the After School Program at The Table! Registration is a two-step process:

Step 1: This Questionnaire,

Step 2: Registration Form.

We try to make sure we give spaces in the program to students from multiple schools and age groups and we try to give priority to low-income families.

Enrollment is limited to 16 participants per session, so participant spaces granted will be based on your answers to this questionnaire.

If you are selected, the registration form will be supplied to you. If you are not selected, you have the option of putting your name on a list to be contacted for the next session.

There are also multiple other programs/volunteering opportunities at The Table that you and your family can participate in! Check out our website for more details!

What is your name and the best way to contact you?

What is your child's (children's) name, age and grade?

Which school does your child attend?

Would you identify your household as low-income?

Are you available/interested in volunteering with the After School Program?

If you have any questions, please feel free to contact:
